Introduction:

This manual is used to explain the use of the Maple Leaf University's Online Registration System for visitors, students, faculty, admin, and researchers. Each user can log into the system and based on their logging information will be directed to their user profile and pages. There are five sections of this manual based on the user type. Visitors will get a glance of "How to Interact with the System.". Students are shown based on the procedures for using the function available are in the second section. The third section is for faculty and how they can use the operations available to them. The fourth section is for admin which allows this user to oversee all of the changes and user type from all users. The fifth section is for researchers that show the available statistics of the school.

Visitor:

Visitors are allowed to see the homepage with a navigation bar that have the following options: course catalogue, courses, master schedule, calendar, buildings, department, and lastly the major and minor that are giving the in Maple Leaf University.

Welcome screen

When selecting the course catalog in the navigation bar we are redirected to a PDF file of courses that are being taught in Maple Leaf

Visitors can see all courses and their prerequisites. In courses. If a Course does not have a prerequisites it will produce a page signifying that there is no prerequisites for this course.

A screenshot of a web browser window titled "React App" showing the "Courses" page of the "Maple Leaf University" website. The page has a header with links for COURSES, CALENDAR, MAJORS & MINORS, DEPARTMENTS/BUILDINGS, and LOGIN. Below the header is a large image of a brick building with autumn trees. The main content is a table titled "Courses" with the following data:

Course ID	Course Name	Credits	Department	Prerequisites
AS1152	Themes in U.S. History	4	AMERICAN STUDIES	Prerequisites
AS1282	Introduction to African American Studies	4	AMERICAN STUDIES	Prerequisites
AS1512	Introduction to Women's Studies	4	AMERICAN STUDIES	Prerequisites
AS2020	New Media	4	AMERICAN STUDIES	Prerequisites
AS2112	American People I	4	AMERICAN STUDIES	Prerequisites

1–10 of 871

The browser is running on a Windows system with a taskbar at the bottom.

If there's no prerequisites for this shown:

No Prerequisites for this course.

Visitors can search the master schedule, and view all the classes offered by semester. You can select any semester from Fall18 to Spring23. You can view the room, building time and faculty. You can also search any course by Section, Professor, day, etc.

MASTER SCHEDULE - SPRING23

Use your email and password to login to your account

Enter Email

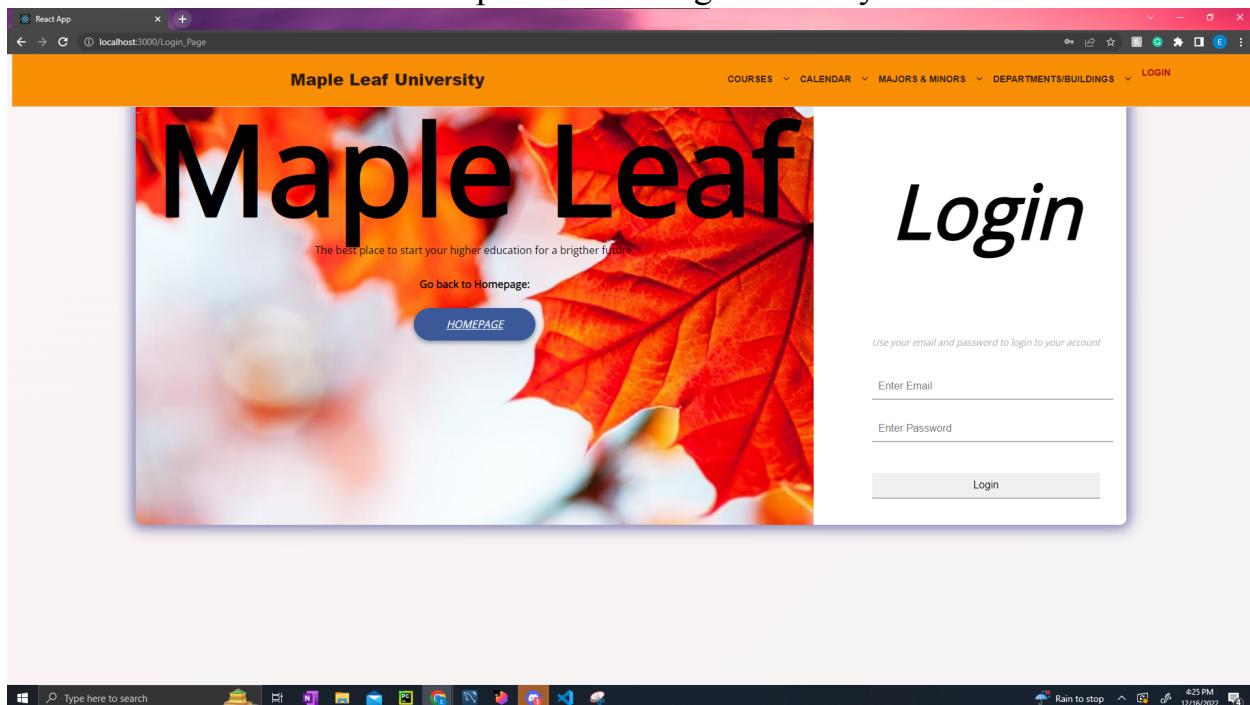

Enter Password

Login

Loging In

Once you register for Maple Leaf University, you will receive an email confirmation that includes your username(email address) and password. Don't let others know your password. You will get three attempts to enter the correct password every time you log into the system. If you fail, you will receive an email with a new password to log into the system.

The screen has two boxes where you must type in your email address and password to log in. Once you type it in, hit the login button and will take you to the page for student, faculty, admin, or researcher. If you forgot your password the first time you enter it in the login system, you will get three attempts to login. After the first three attempts, a message will appear on the screen that informs you that an email has been sent with a new password to log into the system.

When the user logs into the system. The system will read their input and pull up the pages required for that user and can be selected by the user using the navigation bar . As well as redirect them to their profile page with their name and other data that is required.

Profile Page:

Student:

The screenshot shows a web browser window titled "React App" with the URL "localhost:3000/Profile". The main content area has a yellow header bar with the text "Maple Leaf University". Below this, the title "Welcome to your Profile Bernadette" is displayed. Underneath the title, it says "Time: Full_Time" and "Undergraduate". A message indicates that basic information for the account can be found here, and a note says to contact an Admin if password needs to be changed. The account level is listed as "student". A table displays the following student information:

First Name	Bernadette
Last Name	Reed
User ID	700001
Street Address	6548 Alysson Mountain Blvd.
City	Port Cristopherport
State	Nevada
Zip Code	87495
Email	breed@mapleleaf.edu

The taskbar at the bottom of the screen shows various pinned icons and the system clock indicating 4:29 PM on 12/16/2022.

Faculty:

The screenshot shows a web browser window titled "React App" with the URL "localhost:3000/Profile". The main content area has a yellow header bar with the text "Maple Leaf University". Below this, the title "Welcome to your Profile Rosita" is displayed. Underneath the title, it says "Departments: AMERICAN STUDIES" and "PSYCHOLOGY". A note indicates that basic information for the account can be found here, and a note says to contact an Admin if password needs to be changed. The account level is listed as "Faculty". A table displays the following faculty information:

First Name	Rosita
Last Name	Brill
User ID	800001
Street Address	129 Herman Streets place
City	Leannestad
State	Idaho
Zip Code	12572-4628
Email	rbrill001@mapleleaf.edu

The taskbar at the bottom of the screen shows various pinned icons and the system clock indicating 1:01 AM on 12/17/2022.

Admin:

Welcome to your Profile Roosevelt

Here you can find your basic information for your account

If you need to change your password, please contact an Admin.

Account Level: Admin

First Name	Roosevelt
Last Name	Mcwhorter
User ID	901703
Street Address	691 Corwin Prairie place
City	Kuhnborough
State	Iowa
Zip Code	21445-9805
Email	admin1@mapleleaf.edu

Researcher:

Welcome to your Profile Rickie

Here you can find your basic information for your account

If you need to change your password, please contact an Admin.

Account Level: Researcher

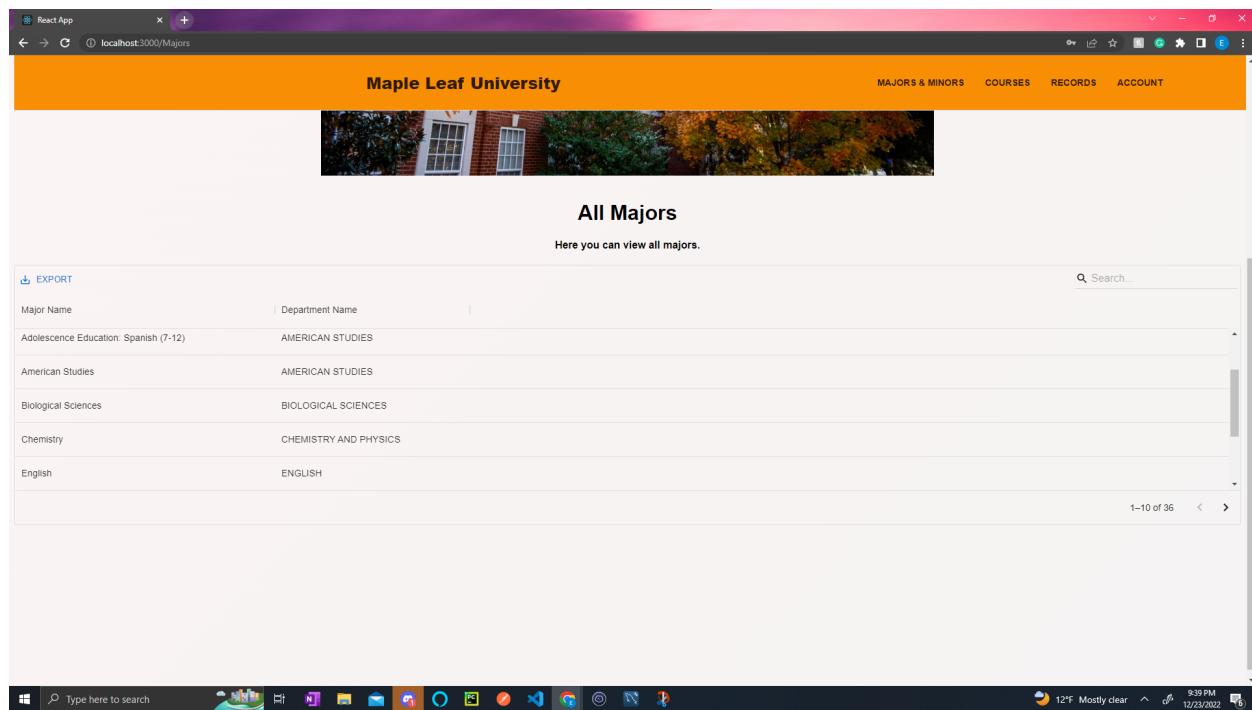

First Name	Rickie
Last Name	Moreno
User ID	601301
Street Address	5676 Ankunding Mountain Rd.
City	South Margarette
State	New Mexico
Zip Code	03790-0486
Email	rmoreno301@mapleleaf.edu

Students:

Once you have logged into the system as a student, you will be able to see the personal information of the student, including first name, last name, email address, whether they are a full-time or part-time student, etc. The student navigation bar changes to these following buttons. Major/minor courses, records and account. Each button has a drop down menu with more pages. The drop down was meant to keep everything organized for each student.

Major & Minor:

The major and minors pages are the same as what is shown in the visitors pages.

The screenshot shows a web browser window titled "React App" with the URL "localhost:3000/Majors". The page header includes the university logo and navigation links for MAJORS & MINORS, COURSES, RECORDS, and ACCOUNT. Below the header is a banner image of a brick building with autumn foliage. The main content area is titled "All Majors" and contains a table with the following data:

Major Name	Department Name
Adolescence Education: Spanish (7-12)	AMERICAN STUDIES
American Studies	AMERICAN STUDIES
Biological Sciences	BIOLOGICAL SCIENCES
Chemistry	CHEMISTRY AND PHYSICS
English	ENGLISH

At the bottom of the page, there is a search bar and a footer with system status icons.

Courses:

View Schedule:

In this page students are allowed to see what course- section that they are taken in their current semester and the upcoming Spring 2023 semester.

The screenshot shows a web application for viewing course schedules. At the top, there's a navigation bar with tabs for MAJORS & MINORS, COURSES (which is selected), RECORDS, and ACCOUNT. Below the navigation is a banner featuring a photo of a building with autumn foliage. A dropdown menu from the COURSES tab includes options like View Schedule, MASTER SCHEDULE, and Register For A Course. The main content area displays a table titled "Schedule Fall22 for Ferdinand Marx". The table has columns for CRN, Course ID, Section, Course Name, Professor, Building, Room, Start Time, End Time, Day, and Remove Course. Two rows of data are shown:

CRN	Course ID	Section	Course Name	Professor	Building	Room	Start Time	End Time	Day	Remove Course
50114	AS2750	3	Food	Zulema	Academic Building	114	7:30 AM	9:00 AM	MW	<button>Remove Course</button>
50722	ML5900	2	Senior Seminar	Becki	Student Center	322	2:00 PM	3:30 PM	F	<button>Remove Course</button>

At the bottom right of the table, it says "1-2 of 2". The browser's address bar shows "localhost:3000/ViewSchedule". The taskbar at the bottom of the screen includes icons for File Explorer, Task View, Mail, Photos, OneDrive, Edge, and File Explorer.

Students are allowed to drop from a course during a giving time window when clicking on the button 'remove course'.

This screenshot shows the same web application for viewing course schedules, but for Spring 23. The interface is identical to the Fall 22 version, with the same navigation bar, banner, and dropdown menu. The main content area displays a table titled "Schedule Spring23 for Ferdinand Marx". The table has the same structure as the Fall 22 table, with two rows of data:

CRN	Course ID	Section	Course Name	Professor	Building	Room	Start Time	End Time	Day	Remove Course
60147	AS4250	3	Immigration Today	Eily	Academic Building	147	9:20 AM	11:00 AM	F	<button>Remove Course</button>

At the bottom right of the table, it says "1-1 of 1". The browser's address bar shows "localhost:3000/ViewSchedule". The taskbar at the bottom of the screen includes icons for File Explorer, Task View, Mail, Photos, OneDrive, Edge, and File Explorer.

Master Schedule:

The master Schuedule is also similar to what Vistors can view. It is a way to show what classes are being taken from current, past, and upcoming years.

Registering for a course:

In this page students are allowed to see the master schedule for Spring 2023 with a button to add a course. This will allow the to easily select what course they want to take for that semester. When scrolling down the student has the option to see what their class schedule will be like in the spring of 2023. Along with a option to drop a course just in case they accidentally added a course that they did not want.

CRN	Course ID	Section	Course Name	Professor	Building	Room	Seats available	Start ...	End Time	Day	Add Course
60488	EL3561	2	Literatures of Europe, Part II: Age of Enig...	Robbie	Academic Building	525	20	2:00 PM	3:30 PM	MW	<button>Add Course</button>

60549	HI2700	3	Introduction to Logic	Rachell	Academic Building	586	20	8:20 PM	9:40 PM	TR	<button>Add Course</button>
60472	EL2216	1	Multicultural Perspectives	Murray	Academic Building	509	20	9:20 AM	11:00 AM	TR	<button>Add Course</button>
60716	ML4725	1	The Novel and the City	Darcey	Student Center	316	20	5:30 PM	9:00 PM	F	<button>Add Course</button>

Schedule Spring23 for Bernadette Reed

When registration there are many limitation to what a student can and cannot do with registering for a course. For example When a student hads a hold they are not able to register for a coure. The system gives out an alert showing that they have a hold.

The screenshot shows a web-based course registration application. At the top, there's a navigation bar with tabs for 'MAJORS & MINORS', 'COURSES', 'RECORDS', and 'ACCOUNT'. Below the navigation is a banner with the text 'Maple Leaf U' and a 'localhost:3000 says' message: 'You have a hold, please contact the administration's office.' An 'OK' button is visible next to the message. The main content area features a large image of a brick building with autumn foliage. Below the image, the text 'Register Bernadette for a Course - SPRING23' is displayed. A table lists course offerings with columns for CRN, Course ID, Section, Course Name, Professor, Building, Room, Seats available, Start Time, End Time, Day, and Add Course. One row in the table has a blue background, indicating it is selected. The table shows several courses like 'Literatures of Europe, Part II: Age of Enlig...', 'Special Topics in Media Studies', and 'Introduction to Logic'. At the bottom of the table, it says '1 row selected' and '1–10 of 810'. The system is running on a Windows operating system, as evidenced by the taskbar at the bottom.

These alerts also show up when there's a time conflict, no seats available, if that student had already passed the course-section with a passing grade, is already taking that course the up coming semester, If they are a graduate student then they cannot take a undergraduate class and visa vera. Students are also only able to take a certain amount of courses depending on if they are full time or part time.

Degree audit:

When selecting this page students are able to see what course are complete with their major, minor (if applicable) how many credits are being taken and their GPA.

Degree Audit for - Bernadette Reed

Major: American Studies
Minor: None
Credits: 8
GPA: 3.50

Courses Completed

CRN	Course Name	Grade	Semester
30180	Topics in U.S. History in Global Perspective	B	Fall21
40311	Chemistry for Non-Majors	A	Spring22

1-2 of 2 < >

When scrolling down, we can see the progress bar of what course they are currently taking in the semester.

In Progress

CRN	Course Name	Grade	Semester
50121	African-American Women's History	A	Fall22
50110	Problems in US Environmental History	A	Fall22
50467	Science Fiction Literature	N/A	Fall22
50718	Modernism and Modernity: The Latin American E...	N/A	Fall22

1-4 of 4 < >

Major Requirements - American Studies

Scrolling further down we see major requirements for what the students are require to take in order to graduate.

The screenshot shows a web browser window titled "Maple Leaf University" with the URL "localhost:3000/ViewDegreeAudit". The page displays a table of "Major Requirements - American Studies" with columns for Course, Course Name, and Grade required. The data is as follows:

Course	Course Name	Grade required
AS1152	Themes in U.S. History	C
AS2112	American People I	C
AS2122	American People II	C
AS3100	American Studies Seminar	C
AS3632	History of U.S. Film	C

At the bottom of the table, it says "1-10 of 13". The browser interface includes a search bar, navigation buttons, and a status bar showing the date and time.

Transcript:

Students can see their unofficial transcript of their past and current semester along with what major/ minor they are in

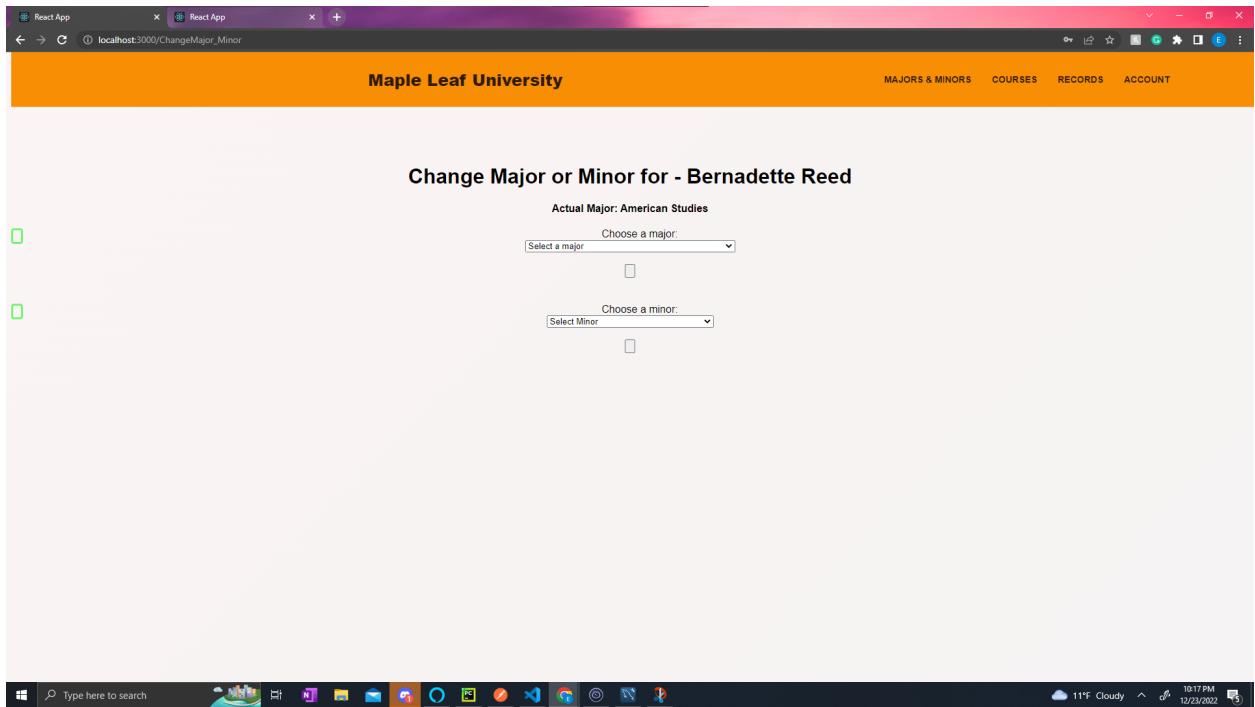

The screenshot shows a web application window titled "Maple Leaf University" with a purple header bar. The main content area features a photograph of a brick building with autumn foliage. Below the photo, the text "Unofficial Transcript for - Bernadette Reed" is displayed. Underneath this, student information is listed: Major/MS_PhD: American Studies, Minor: None, Credits: 36, and GPA: 3.75. A table follows, showing course details:

CRN	Course Name	Grade	Semester
30180	Topics in U.S. History in Global Perspective	B	Fall21
60196	Biology for Non-science Majors	N/A	Spring23
40311	Chemistry for Non-Majors	A	Spring22
60488	Literatures of Europe, Part II: Age of Enlightenment...	N/A	Spring23
50121	African-American Women's History	A	Fall22

At the bottom of the page, there are links for "EXPORT" and "SEARCH...". The status bar at the bottom of the screen shows the Windows taskbar with various pinned icons and the system tray indicating the date and time.

Change Major:

Student is allowed to change their major and minor based on whatever available major is being taken in Maple Leaf university. This page was design to have students to select onle one major as a requirement and chose to either have one minor or non at all

Using the Registration System for Faculty:

Once you have logged into the system as faculty, you will be able to see the personal information of the faculty member, including first name, last name, email address, what departments they teach, whether they are full-time or part-time, etc. They are able to see certain pages that are available for students or visitors.

These pages include the master schedule and transcript and degree audit selected by how the faculty selects a student.

Courses:

In the drop down menu for courses we see a section where faculty can view their class list for the current and upcoming semester. In this page we also have the option to view the student information, take attendance and view his/her grades.

Faculty Courses for SPRING 2023

Faculty are not able able to set grades as the semester grading is not closed but if they have the option to change garage it would be their

The screenshot shows a web application window titled "Maple Leaf University" with a purple header bar. The main content area has an orange header with the text "Maple Leaf University". Below the header is a large photograph of a brick building with autumn-colored trees in front. At the bottom of the page, there is a table titled "Grade Students" showing student information and grade selection fields. The table includes columns for StudentID, First Name, Last Name, Major, Grade, choose grade, and Set Grade. Two rows of data are visible: one for Renaldo Albright (Psychology, Grade B) and another for Marco Ramey (Psychology, Grade B). A search bar and a weather widget are also present at the bottom.

Faculty are able to take attendance only for that Specific day. And can not be changes afterwards.

The screenshot shows a web application window titled "Maple Leaf University" with a purple header bar. The main content area has an orange header with the text "Maple Leaf University". Below the header is a large photograph of a brick building with autumn-colored trees in front. At the bottom of the page, there is a table titled "Attendance" showing student information and attendance selection fields. The table includes columns for StudentID, First Name, Last Name, Major, Search, and Set Attendance. Two rows of data are visible: one for Renaldo Albright (Psychology) and another for Marco Ramey (Psychology). A search bar and a weather widget are also present at the bottom.

The faculty can also see what course section they have taught over the year that they have been teaching in Maple University

A screenshot of a web browser window titled "React App" showing the URL "localhost:3000/ViewCourses". The page is titled "Maple Leaf University" and displays a table titled "Faculty Course History". The table has columns for Course Name, CRN, and Semester. The data shows six entries for Medical Sociology across different semesters (Fall22, Spring22, Fall21, Spring21, Fall20). A search bar and navigation buttons are visible at the bottom of the table.

Course Name	CRN	Semester
Medical Sociology	50902	Fall22
Medical Sociology	40902	Spring22
Medical Sociology	30902	Fall21
Medical Sociology	17019	Spring21
Medical Sociology	16161	Fall20

Similar to what students can see. Faculty can see who they advise as well as have the option to view the student transcript.

The screenshot shows a web browser window titled "React App" with the URL "localhost:3000/FacultyAdvice". The page has an orange header with the text "Maple Leaf University" and navigation links for "COURSES", "STUDENT RECORDS", and "ACCOUNT". Below the header is a photograph of a brick building with autumn foliage. The main content area is titled "Advisement Info" and contains a table with student data. The table has columns for Student ID, First Name, Last Name, Student Standing, Student Type, and a "View Transcript" link. The data rows are:

Student ID	First Name	Last Name	Student Standing	Student Type	
700041	August	Anderson	Sophomore	Undergraduate	View Transcript
700901	Forest	Foster	Freshman	Undergraduate	View Transcript
701171	Rodnick	McGrew	2	Graduate	View Transcript
701207	Barabara	Fortier	1	Graduate	View Transcript

At the bottom right of the table, it says "1-4 of 4". The browser's taskbar at the bottom shows various open tabs and system icons.

Using the Registration System for Admin:

Once you have logged into the system as admin, you will be able to see the personal information of the admin, including first name, last name, email address, etc. Admin are able to do what faculty and student can see and view. With certain pages. These pages are explained before.

Admin can view major and minors similar to students and faculty. The one change that be seen is that admin can also view the major and minor requirements of each major and minor.

The screenshot shows a web browser window titled "React App" with the URL "localhost:3000/Minor". The page has an orange header with the university logo and navigation links for DEPARTMENTS/BUILDINGS, ADMIN PANEL, STUDENT RECORDS, FACULTY RECORDS, and ACCOUNT. Below the header is a photograph of a brick building with autumn foliage. The main content area is titled "All Minors" and contains a table with minor information. The table has columns for Minor Name, Department Name, and Requisites. Each row includes a link labeled "Requirements". A search bar and a page number indicator "1-10 of 32" are also visible.

Admin can add holds and removes holds on certain students. Below are two tables with adding a hold and a table to drop a hold from a student.

The screenshot shows a web browser window titled "React App" with the URL "localhost:3000/StudentHolds". The page has an orange header with the university logo and navigation links. Below the header is a photograph of a brick building with autumn foliage. The main content area is titled "Student Holds" and contains a table with student hold information. The table has columns for Student ID, Name, Hold Type, and Remove Hold. Each row includes a "Remove Hold" button. A search bar and a page number indicator "1-10 of 22" are also visible.

Below this is another section titled "Students - Add Hold" with the sub-instruction "Here you can add drops." It features a table with a single row and a "Remove Hold" button.

Admin can view all student that are under grade and grade. They are also able to view the students transcript and change their major and minor of said student.

The screenshot shows a web browser window for 'Maple Leaf University' at 'localhost:3000/SearchStudent'. The page title is 'All Students'. A banner at the top says, 'You can view and search ANY Student's schedule, Degree audit, Grades and Transcript records just by looking them up in the database.' Below this is a table titled 'Undergraduate Student' with columns: Faculty ID, Student Standing, First Name, Last Name, Major, Student time, Search, and Change. The table contains five rows of student data. At the bottom right of the table, it says '1-10 of 971'. The browser taskbar at the bottom shows various pinned icons and the system tray indicates it's 11:13 PM on 12/23/2022, with a weather icon showing 91°F Partly cloudy.

Faculty ID	Student Standing	First Name	Last Name	Major	Student time	Search	Change
700763	Senior	Emma	Brown	Adolescence Education ...	Part_Time	Search Student	Change Major/Minor
700798	Sophomore	Rosario	Faulkner	Adolescence Education ...	Part_Time	Search Student	Change Major/Minor
700833	Sophomore	Vikki	Bobo	Adolescence Education ...	Part_Time	Search Student	Change Major/Minor
700903	Senior	Marjory	Bradford	Adolescence Education ...	Part_Time	Search Student	Change Major/Minor
700938	Junior	Dani	Milne	Adolescence Education ...	Part_Time	Search Student	Change Major/Minor

Similar to how student register for classes, admin can do with all students. Simply select which student the admin wants to add a course to. There are also limitations to registering for a course which also corresponds to how a students registers ie student cannot not reister with a hold.

CRN	Course ID	Section	Course Name	Professor	Building	Room	Seats available	Start Time	End T...	Day	Add Course
60256	BU4720	3	Global Financial Markets	Bethany	Academic Building	560	20	11:30 AM	1:00 PM	MW	<button>Add Course</button>

Schedule Spring23 for Emma Brown

Using the Registration System for Researcher:

Once you have logged into the system as a researcher, you will be able to see the personal information of the researcher, including first name, last name, email address, etc.

The researcher Navigation bar should only show two drop down buttons one to view profile and the other to view the statistics of Maple Leaf University.

React App React App +

localhost:3000/Stats

Maple Leaf University Stats ACCOUNT

Some Basic Statistics for Maple Leaf University

Number of Students Enrolled	Number of Undergraduate Students Enrolled	Number of Graduate Students Enrolled	Number of Faculty Members
1300	1000	300	550

The screenshot shows a Windows desktop environment. A browser window titled "React App" is open, displaying a simple web application for "Maple Leaf University". The app has a yellow header with the university's name and navigation links for "Stats" and "ACCOUNT". Below the header, a title "Some Basic Statistics for Maple Leaf University" is centered, followed by a table with four columns: "Number of Students Enrolled", "Number of Undergraduate Students Enrolled", "Number of Graduate Students Enrolled", and "Number of Faculty Members". The table contains one row with the values 1300, 1000, 300, and 550 respectively. The browser's address bar shows the URL "localhost:3000/Stats". The taskbar at the bottom of the screen includes the Start button, a search bar, and icons for various system and application functions. The system tray on the right shows the date and time as "12/23/2022 9:51 PM", along with other standard icons.
